CYP8X36

CYP8X48

SPECIFICATIONS

Construction

Fabric laminated to self extinguishing vinyl. Transparent fire retardant applied after fabrication. 40 standard fabric choices. Lumenart's standard material selection is subject to change based on supplier availability. It is common for material manufacturers to be out of stock for long periods of time, change or discontinue materials without notice based on market trends and/or material availability.

Mounting

Mounts to octagon junction box or 4x4 junction box with round plaster adapter.

Suspension

72" cord. Longer lengths available. 48" stem in 24", 12", 8" and 4" segments. Longer lengths available.

Bottom Shielding

Matte white acrylic

Finishes

Metal hardware is available in satin nickel, polished nickel, bronze and black

Electrical

ETL listed dry location only. Specify 120 or 277v. Lamps by others.

Modifications

Contact local representatives or factory for size, lamping, lens or finish modifications.
